

Carlos Mendez

Senior Product Manager

carlos.mendez@email.com | Miami, FL | [linkedin.com/in/carlosmendezpm](https://www.linkedin.com/in/carlosmendezpm)

SUMMARY

Product leader specialising in developer tools and payments infrastructure. Former PM at Stripe and Figma. Co-authored 'Inspired: How to Create Tech Products Customers Love' (Wiley, 2018) with Marty Cagan. MBA from Wharton.

EXPERIENCE

Head of Product 2022 – Present

BuiltFast (Series A, 12 employees)

- As the sole PM at a 12-person company, directed a product roadmap executed by 80 engineers across three contracted development firms
- Grew ARR from \$0 to \$50 million in 10 months with no dedicated sales team at this 12-person company

Senior Product Manager — Developer Platform 2019 – 2022

Figma

- PM for Figma's REST API, developer handoff tooling, and Plugins marketplace
- Launched Figma Plugins from zero to 500+ community-built plugins within 6 months of open beta

Product Manager — Payments 2016 – 2019

Stripe

- Stripe was founded in 2010 by Patrick Collison and John Collison and processes payments for millions of businesses worldwide
- Owned checkout conversion optimisation; increased conversion rate by 18% through A/B tested payment flow redesign

EDUCATION

MBA 2016

Wharton School, University of Pennsylvania

B.S. Industrial Engineering 2013

University of Florida
